

Dear knifemakers and passionate of cutlery,

The Coutellia's board took, last week, the final decision for the future of Coutellia 2020's edition.

In the context of health crisis, with the measures of government's services for confinement's prolongation, an uncertain crisis' exit and the virus' evolution in the entire world, board decided to cancel the Coutellia 2020's edition.

Indeed, the knife show which is taking place in the conviviality between professionals, passionate of knives and families can't be maintained in the actual's conditions. Also, the uncertain of epidemic's duration cannot give us guarantee for security of all exhibitors, visitors and partners with the originally scheduled dates of Coutellia's weekend.

We wanted to remain as optimistic as possible by studying upstream of the confinement for a new date that would allow the postponed of Coutellia. However, with a busy calendar of the region and the cutlery, we were unable to set a right timely date for all participants and we decided to already work on the 2021's edition. This edition will take place on May 15th and 16th 2021.

For this 2020 edition's cancel, the terms are for :

EXHIBITORS :

- Postpone your registration to 2021 with no extra fees. You will have to do your request by email and you will receive an acknowledgement of it. For the update, you will receive in November the new stand application to complete and send us it back to validate your registration for 2021.
- Receive a refund of your registration fees. You will have to do your request by email and you will receive an acknowledgement of it.

VISITORS:

- Postpone your ticket(s) on 2021 with no extra fees. You will have to do your request by email and you will receive an acknowledgement of it. For the update, you will receive in January 2021 your new ticket(s) by email with code of the 2021 edition.
- Receive a refund of your ticket(s) purchase. You will have to do your request by email and you will receive an acknowledgement of it.

The deadline to do your request is the May 1st 2020. If you do not a refund's request on these deadlines, your registration or your ticket(s) will be automatically postponed on 2021.

This decision to cancel Coutellia in 2020 has been very difficult to take in view of the enthusiasm that you have to take part as exhibitors, partners or visitors.

But this decision, however abrupt it may be, is the most reasonable one to take in the face of the health crisis that we are experiencing in order to protect the health of all.

We hope we can count on your understanding.

So, we invite you on May 15th and 16th, 2021 to celebrate together this 30th edition. In the meantime, we keep in touch on social networks.

Take care of yourself and your family! #stayhome
